This is the perfect family friendly hotel with a swirling waterslide, a lazy river tube ride and a bubbling Jacuzzi set next to dancing fire pits. And of course the new Harry Potter Hogwarts is not to be missed!

Future Events to Watch For

- **Rosacea and Acne Seminar**

Offering 7 Category I CME Credits

Florida Society of Dermatology Physician Assistants & Practical Medical Solutions had a very successful first Rosacea and Acne Seminar in Tampa, Florida. Let us know if you are interested in attending this seminar in 2012.

This 7 Hour CME is on Rosacea and Acne Vulgaris. The presentations will cover the causes of both diseases and their current treatments to include in office procedures. We will discuss strategies in getting the medications for these disease entities.

Don't miss out on this exciting seminar to enhance your skills in treating this common disease to our practices.

- **Psoriasis Seminar**

Offering 7 Category I CME Credits

This workshop was developed for Physician Assistants and Nurse Practitioners to increase the quality of medical care we give our Psoriasis Patients and increase the awareness of Psoriasis and the affect it has on our patients.

FSDPA reached a growth milestone in September by holding the Psoriasis Seminar in Ft. Lauderdale. This location was very well received and we hope to have more events in South Florida in the future. Let us know if you are interested in attending this seminar in 2012.

- **Hands-On Surgical Techniques Workshop**

Offering 12.5 Category I CME Credits

Have you been wanting to expand your surgical skills? If so, then this Workshop is a must for you.

If you are a physician assistant or a nurse practitioner in dermatology, emergency medicine, acute care, family practice, or just have a desire to learn and become more skillful at surgery this workshop will teach you the basic and intermediate surgical skills or even advanced flaps and grafts that you need to know.

For beginning, intermediate and advanced providers. Earn up to 12.5 Category I CME Credits at this two-day event.
